11. EACH ONE TEACH ONE:

Inculturation is a term tightly linked to evangelization or spreading the Gospel of Jesus Christ. As Baptized Catholic Children of God, we need to inculturate the Good News to the secular, social, atheistic, humanistic and the mere cultural minds of our time. This activity is also called "Catholic Faith Sharing" with others. We cannot light a lamp and put it under the bushel basket, where nobody can see the light because of the darkness. Our Catholic Faith affects and effects all of us and we have to incorporate it in all walks of life, including all of God's creation and creatures. This way as disciples of Jesus Christ, we learn to pay it forward not afterward! Many of us live and work and interact with each other in the society at large and daily encounter a variety of peoples. Some of them maybe empty within and some of them remain neutral, some others apathetic to any values and others maybe simply atheists. Since we are faith-filled Catholics believing in the Resurrection of Christ, we are the Easter People. We must propagate the gospel values in our interactions and interpersonal relationships by showing what is right and what is wrong, what is moral and what is immoral. If one does not listen to you, say "I will pray for you."
Fr. Vincent Pereira, jcd.
