THANK YOU

Sue and I would like to thank you on behalf of CHALICE and the eight children you sponsored during our appeal last weekend. A few more people will be doing it online. THE FUTURE BELONGS TO PEOPLE WITH CHILDREN

“When young people ask me how to change the world, I tell them to love each other, get married, stay faithful to one another, have lots of children, and raise those children to be men and women of Christian character. Faith is a seed. It doesn’t flower overnight. It takes time and love and effort. Money is important, but it’s never the most important thing. The future belongs to people with children, not with things.”
