**FLOURISHING CONGREGATIONS INSTITUTE
SURVEY**

The Flourishing Congregations Institute is a research project that promotes the health and vitality of all churches. The aim of the survey is to better understand the traits, perceptions, and experiences of Christian parishes/congregations in Canada.

Last Sunday, I asked all of you to engage in this survey. I hope for **50% or more of our adult attendees to fill out the survey**. With strong survey involvement from our congregation, the Flourishing Congregations Institute will provide uniquely helpful information about our own parish that we can use as we seek to flourish and faithfully minister in our particular context. **You must complete it before November 10, 2019, thank you.** Here is the survey link for you: <https://tinyurl.com/fc330c>.
