THANK YOU

Thank you so very much to all of our generous contributors for the hike for life. We have reached \$855, and would love to hit \$1000. Please continue to support this good cause.

INTERNATIONAL POTLUCK LUNCHEON

Do you have a favourite casserole, salad or dessert that you like to share with friends? On Sunday May 19, the Feast of

Pentecost, we invite you to share your speciality with friends and family at the Second Annual International Potluck Luncheon. Join us for a special mass for Pentecost 10:30 am and then join us downstairs for lunch. If you like we would love to display your heritage flags and any other cultural treasures that you would like to have on display. Stay tuned. Father Vincent has requested that the parish kitchen will be looked at and some de-cluttering be initiated. We are in the process of reassigning cupboards and removing excess food and supplies. When the kitchen was completed dishes and cutlery were purchased for the use of all groups and clubs in the parish. There are now excess dishes and people will be asked to please remove them so that storage in the kitchen and the use of the kitchen can be kept clean and streamlined. Thank you for your cooperation.

Thank you to the young student teachers who helped with the children's liturgy this year. We wish them well in their teaching careers. They have now headed back to their homes in the GTA. The liturgy classes will continue until sometime in June. Your children are welcome to celebrate the liturgy with the other children in the parish council room in the hall. If you arrive just after Mass, please bring the children downstairs to join the class in progress. All are welcome.
