### SUPPORTING NELSON HOUSE

Donations are being received this weekend and next, to provide small gift bags to women living at Nelson House, an emergency shelter for women escaping abusive relationships. Nelson House accommodates women and their children for a short time and then helps them set up more permanent housing arrangements in the community. The gift bags will be delivered for Mother's Day. Each will include a treat and a gift card, so the women can purchase some essentials. Your financial support is greatly appreciated.
