### PAPAL VISIT

Archbishop of Ottawa-Cornwall Welcomes the Announcement of the Papal Visit to Canada: (On May 13) the Vatican officially announced that Pope Francis will travel to Canada from 24 to 29 July 2022 to meet with Indigenous Peoples of this land on a pilgrimage of healing, reconciliation, and hope. With this announcement, the Vatican confirmed the Holy Father will make three stops during his visit to Canada: Edmonton, Québec, and Iqaluit. These locations were chosen to limit travel for the Pope given his health, while still allowing for both intimate and public gatherings with Indigenous Peoples from everywhere in the country.

### CELEBRATING INDIGENOUS PEOPLES

It is important to recognize there are three different days in the secular and faith calendar to celebrate and remember Indigenous Peoples in Canada. To commemorate National Indigenous Peoples' Day (June 21st) in Canada, we encourage parishes to remember Indigenous Peoples and highlight opportunities in the local community for parishioners to join in Indigenous-led initiatives and events to celebrate this day. June 21st is "National Indigenous Peoples Day" in Canada. This is a secular day and not part of the liturgical calendar, but parishes are encouraged to pray for the Indigenous Peoples of Canada in their daily Mass. You might wish to add a special petition in the Prayers of the Faithful such as "May the Indigenous Peoples in Canada experience God's tender care and may we walk with our sisters and brothers in truth, healing and reconciliation, we pray to the Lord." September 30th is the "National Day for Truth and Reconciliation." The Catholic Church in Canada celebrates the "National Day of Prayer in Solidarity with Indigenous Peoples" on December 12th, the feast day of Our Lady of Guadalupe, patroness of the Americas.

### PARKING LOT UPDATE

While it may seem like the parking lot remediation project is currently at a standstill, it is still ongoing, with the diocese recently bringing in a soils engineer to look at the subsoil conditions. The actual repair may take a while yet, but rest assured, the project is indeed moving forward!
